**Second Notice of Change of Address**

Please take notice that the address for the attorney of record in this case changed effective Nov. 1, 2006 to the following"

James W. Hiney, Esq.  
P. O. Box 818  
Middleburg, VA 20118

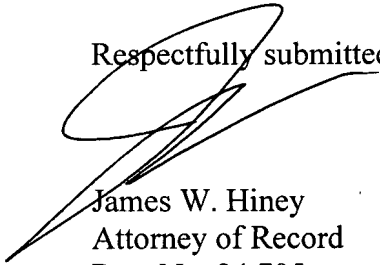

A notice was sent to the Office on this case in September, 2006 notifying it of the closing of the Blacksburg Office at 1872 Pratt Drive, Suite 1000, Blacksburg, VA 20460 and noting the new address. Since then three letters of inquiry have been sent to the office. Ex. Toomer called the undersigned yesterday to question him whether the case had been abandoned as an Office action had been mailed on April 5, 2007, which, since the undersigned never received it, caused the application to go abandoned. This is

incredulous since three written letters of inquiry have been sent in to the Office on this case and another requesting information as to whom they were assigned to and the status. A change of address for one year was filed with the Blacksburg office of the U. S. Postal Service as well but they returned the mailing to the Patent Office as undeliverable. This has happened with other mail and the undersigned has complained several times to them. This is a good example of the effectiveness of government.

Please stamp the attached self addressed stamped card and return to the undersigned .

It is requested that a copy of the abandonment be sent to the undersigned at the new address with a complete copy of the Office action.

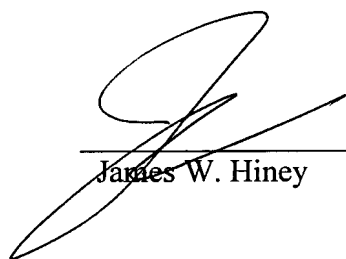

Respectfully submitted,

James W. Hiney  
Attorney of Record  
Reg. No. 24,705  
Technology Law Offices  
P. O. Box 818  
Middleburg, VA 20118
